INDUSTRIES DEPARTMENT

NOTIFICATION

Shimla-2, the 26th July, 2005

No. Ind. VI (F) 12-40/78-II.—Whereas, B. C. Negi Committee in its study report on the functioning of stone crushers and its allied activities in Himachal Pradesh has observed that “the Chakki Khad appears to have attained its base level and as per norms should not be disturbed any further by mining activities at all costs”.

Whereas, in the process of implementation of recommendations of above report, further studies of the Chakki Khad near Damtal (Nurpur Sub-Division, District Kangra) were got conducted through the State Council for Science Technology & Environment and Experts from the Geological Wing of Industries Department.

Whereas, from the study report of the State Council for Science Technology & Environment submitted on 2-12-2004 under caption “Technical Report on the study of mining area along Chakki Khad, District Kangra, H. P.” and report of the Geological Wing of Industries Department submitted on 2-4-2005 under caption “Report of the feasibility of future working in the Chakki Khad, particularly below the Pathankot-Jullundhur Railway Bridge near

Damtal" it is clear that present course of Chakki Khad down stream from Railway Bridge (Damtal) has already been over exploited beyond its threshold point. There is no further scope of mining in this area and it requires complete rest for its replenishment.

Now therefore, the Governor, Himachal Pradesh is pleased to impose complete ban on excavation/collection of sand, stone and bajari from the present course of Chakki Khad down stream from Railway Bridge (Damtal) upto its high flood level (HFL) with immediate effect.

Thus the permissions already granted for the above activities in this area stand withdrawn and Stone Crusher Units dependent for raw material on this area are directed to shift their mining activities to other suitable areas other than present course of Chakki Khad down stream from Railway Bridge (Damtal) upto its high flood level (HFL) with immediate effect.

By order,

B. S. CHAUHAN,
Principal Secretary.
